Dear Year Two,

Please can you help me? I have heard that you have listened to and read the book about my Grandpa's garden. I hope you enjoyed reading about the different vegetables that I found there. Also, I hope you liked completing my diary for the week too. I ate lots of vegetables and they were delicious!

My other Grandpa lives in Brazil. I'm not sure what vegetables that he grows in his garden. Could you find out about vegetables that grow in Brazil and let me know some facts about them please?

I would love to receive a letter back from you.

Enjoy researching!

Look forward to hearing from you soon.

From Oliver
