Wk1 01.6	9.00-9.30	MATHS		ENGLISH (a selection of alternative activities are available if you do not wish to follow Charlie and the Chocolate Factory)	READING		Afternoons FOUNDATION SUBJECTS
Monday	Let's get active! A great way to start the day and wake up in the morning.	White Rose Maths Summer Term Week 1 Lesson 1 – Add and subtract 1s	B	Write a letter — Write a letter to your teacher about what you have been up to at home.	Complete a 60 second read and answer the questions	L	Science – Investigate the ‘Awe and Wonder’ experiment. What do you think will happen to the colours? Make a prediction first. History – Investigate the inventions from the Victorian period. Compare them to items in and around your house. How have they changed over time? Geography – Compare Brazil to where we live in the UK. What are the differences? Is anything the same? Join in with our Boldmere Explorers project – this time we are exploring Africa! DT – Evaluate the brownies you made using the evaluation sheet we use in school. Art – Practise your sketching skills by sketching plants and flowers in your garden. Practise your drawing skills with Rob Biddulph. Computing – Have a go at coding and creating algorithms to solve puzzles. PE – Design your own sports day and have a mini sports day at home. RE – Explore Christianity and the Bible. Music – Practise singing our assembly songs
Tuesday	Here are some of the fun activities we recommend on YouTube...	Lesson 2 – Related facts	R	Create and label your very own sports day race. Write a set of instructions for your race.	Complete the Earth Science – Stars reading activity	U
